For the sake of the intangible, personal benefits you will be gleaning from this program, it is recommended that if there are other seminars, trainings or workshops you plan to attend while in Hawaii, you arrange for Muaisa Hale Pule to be your "last stop."

4. Given that our shamanic lodge sits atop one of Earth's 10 major vortices, that energies here are magnified, that things tend to "come up" here, that emotions are often tested here, and that prayers and intentions made here are transmitted to the rest of the world and beyond, please tell us:
